

Dear Sir/Ma'am

RE: PERSONAL TUITION CENTRE (*An Introduction*)

Personal Tuition Centre is an academic institution that offers one-on-one tuition to secondary school and high school students doing Cambridge, Checkpoint, IGCSE and A level. We believe in adapting our teaching methods to suit individual needs and as such we do offer each child a chance to learn on their own and learn at their own pace. Over the years we have realized that there are students who struggle to learn in classes, worse still bigger classes and such students end up getting poor grades mainly because of class dynamics. We therefore, adopted the one-on-one tuition as our main delivering tool and we have seen great results and improvements with a lot of our students. Our biggest groups currently are those of fives and sixes but we pay special attention to individual needs.

We provide a wide range of teaching support and resource materials for each Cambridge IGCSE subject.
